40 Assets - #9 Service to Others

Young persons serving 1 or more hours in the community each week.

With your children's input, make a list of things you can do to help others: visit a nursing home, help a neighbor, write cards to people in the military, collect needed items for agencies that serve the homeless or others in need. Ideally, these should be activities you and your child can do together. Write each on a small slip of paper and place slips in a jar. Choose a service activity for each month by drawing a slip from the jar. For more info contact nedrussell@pacbell.net
