

# **Support and Education Group Grandparents, Relatives and Neighbors Who are Parenting Children**

**Nevada County Superintendent of Schools  
380 Crown Point Circle, Grass Valley**

The Nevada County Foster Kinship Care Education Program, in partnership with Sierra College and Nevada County Health and Human Services, offers quality education and support opportunities for care givers of children and youth in foster care. Meetings help to learn how to meet the children’s educational, emotional, behavioral and developmental needs.

Come learn about available resources - share trials and triumphs with a group of your peers.

## **\*Second Mondays – 9:00 am to noon - 2016-2017**
