California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

The Nevada County Superintendent of Schools operates Sugarloaf Mountain Juvenile Hall Program (County Juvenile Court School) which serves approximately 25-40 students. Sugarloaf Mountain works collaboratively with the Nevada County Probation Department and Earle Jamieson Educational Options (the County Community School) to ensure a smooth transition as students move between the school sites. Sugarloaf enrolls students who have committed crimes and/or have violated their probation terms. The Sugarloaf students enroll anywhere from three days to a year. Many of the students are working to make up lost credits and get back on track academically and behaviorally.

Students tend to cycle from Sugarloaf to EJ or vice versa, in an attempt to find permanent improvement in their academics and behaviors prior to returning to a less restrictive learning environment in a local school. Due to the transitional nature of the students in these programs, student achievement is measured and weighted more by classroom assessments and methods of academic interventions than by yearly state assessments (such as CST's, the new CAASPP, and CAHSEE). The students at Sugarloaf are often there for 30 days or less and those state scores reflect more on the local schools from which they come, than Sugarloaf instruction.

School Description and Mission Statement - Most Recent Year

Sugarloaf Mtn. School is housed in the Nevada County Juvenile Detention Facility (Carl E. Bryan Juvenile Detention Facility). The school typically serves students grades 9 - 12; however on occasion, younger students are detained and enrolled into the program. Teachers evaluate student transcripts and develop individual education plans for each student.

Vision:

The vision of Sugarloaf Mountain School is to provide a safe, supportive learning environment for its unique students that promotes the development of essential academic and interpersonal skills necessary for their future success.

Mission Statement:

The mission of Sugarloaf Mountain School is to offer an effective educational experience for all students who are in a critical period of their lives. The staff is committed to creating and maintaining an orderly, trusting, and mutually respectful learning environment that will prepare students to:

- * Take responsibility for their person and educational development
- * Acquire tolerance for and the ability to work well with others
- * Understand that their actions will have resulting consequences
- * Develop a positive sense of self-awareness and confidence
- * Experience success in their future educational and/or vocational settings

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

There are too few students enrolled to report scores.

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	--	45.0%	44.0%
Mathematics (grades 3-8 and 11)	--	28.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

Professional Development – Most Recent Three Years

There are 5 designated professional development days scheduled each year, as well as weekly meetings each Friday for Professional Learning Community work. Also, staff attend a number of workshops and trainings off-site throughout the year.

The areas of focus are on:

1. Development of adequate and motivational curriculum for the variety of students in each class
2. Behavior improvement plans for each student and as a whole school
3. Safety in dealing with volatile school/student situations
4. Drug/Gang information sharing
5. Alternative Education strategies
6. Technology in the classroom
7. CAASPP Testing preparation and training
8. NonViolent Crisis Intervention Training
9. Common Core ELA and Math strategies
