

# Local Control and Accountability Plan

## Chicago Park Community Charter

July 1, 2015 – June 30, 2018

Approved by Board on June 17, 2015

Through community wide collaboration, the Chicago Park School District's administration and staff will create, sustain, and encourage high quality educational programs for all students. High academic standards, combined with a special emphasis in math, science, technology, and character development, will continue to drive our school program. A hands-on approach to engaged learning in safe and nurturing learning environments will also be emphasized.

## § 15497.5. Local Control and Accountability Plan and Annual Update

### Introduction:

LEA: Chicago Park Elementary

Contact (Name, Title, Email, Phone Number): Dan Zeisler, Superintendent/Principal, [danz@chicagoparkschool.org](mailto:danz@chicagoparkschool.org) 530-346-2153 x202

LCAP Year: 2015

### ***Local Control and Accountability Plan and Annual Update Template***

*The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.*

*For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.*

*For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.*

*Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.*

*The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual*

update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

## **State Priorities**

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

### **A. Conditions of Learning:**

**Basic:** degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

**Implementation of State Standards:** implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

**Course access:** pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

**Expelled pupils (for county offices of education only):** coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

**Foster youth (for county offices of education only):** coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

### **B. Pupil Outcomes:**

**Pupil achievement:** performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

**Other pupil outcomes:** pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

### **C. Engagement:**

**Parental involvement:** efforts to seek parent input in decision making at the district and each school site, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

**Pupil engagement:** school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

**School climate:** pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

### **Section 1: Stakeholder Engagement**

*Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.*

**Instructions:** Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

### **Guiding Questions:**

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies;; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils related to the state priorities?

### **Section 1: Stakeholder Engagement**

<b>Involvement Process</b>	<b>Impact on LCAP</b>
<p>The Chicago Park School District (CPSD) has always prided itself on being a community oriented institute of learning. For the past thirteen years, there has been a high level of parent volunteerism, an active PTA, community input surveys conducted by the Site Council on an every other year basis, and two community forums per year for parents to learn about program implementation and our budget, and to ask questions or make suggestions regarding school improvement. As a result of this, much of the data asked to be gathered in the development of the LCAP was already in place. However, between October, 2014 and April, 2015, more data has been collected to assure that all stakeholders have had an opportunity to provide input into the plan. In addition, the community has been educated on our new LCFF model and the eight state priorities which must be addressed in the development of the LCAP. The following measures have been taken:</p> <ul style="list-style-type: none"> <li>● The most recent data revealed from a detailed community survey done in early 2015, has been used to help formulate goals in the LCAP.</li> <li>● A student survey (grades 3-8) was administered in late winter of 2015 to gather their input into the plan.</li> <li>● Dedicated time at staff meetings for the past several months have been set aside for discussion and input into the plan. Representation at these meetings have included TK-8<sup>th</sup> grade and special education certificated teachers (which also constitutes our bargaining unit). (Meeting dates: Dec. 2, Feb. 10, May 5)</li> <li>● Classified staff meetings have taken place quarterly during the 2014-15 school year. The LCAP has been on every agenda and input sessions have taken place. (Meeting dates: Aug. 8, Nov. 21, Feb. 27, May 11)</li> <li>● Since the beginning of the 2014-15 school year, the focal point of the Site</li> </ul>	<p>A detailed list of stakeholder input was generated from the involvement process, yielding identified areas of focus to promote student success in conjunction with the <u>Eight State Priorities</u>.</p> <p>As a result of this local collaborative effort, the following student priorities have been incorporated into our plan:</p> <ul style="list-style-type: none"> <li>● Academic achievement</li> <li>● Technology literacy</li> <li>● Enrichment opportunities beyond core curriculum</li> <li>● Positive behavior intervention/social skills</li> </ul>

<p>Council/Charter Advisory Committee, has been providing input for the development of the LCAP. Invitations for community members (including students) to attend these meetings have been extended via letters home, articles in our Principal’s Page newsletter, and through School Messenger, our automated phone messaging system. . (Meeting dates: Sept. 9, Oct. 2, Nov. 6, Dec. 4, Jan. 15, Feb. 19, Mar. 19, April 30, and on May 7, the draft plan was submitted).</p> <ul style="list-style-type: none"> <li>• The CPSD Board of Trustees have been kept abreast of the progress made toward: including all stakeholders as active participants in the plan, and obtaining data. Board members have been given on-going opportunities to provide LCAP input.</li> <li>• We have only one family of non-English learners in the District and currently there are no Foster care placements in our District, therefore we do not have the resources to bring in input in these areas.</li> </ul> <p>Date for Public Meeting: June 12, 2014 Date for Board Approval: June 19,2014</p>	
<p><b>Annual Update: The plan to gather stakeholder data for the 2014-15 LCAP was effective and most of the process was replicated throughout the current year to gather information for the 2015-16 LCAP. (There was less of a need to educate the community about LCFF, the eight state priorities, and the purpose of the LCAP.) Our demographics have not changed significantly and we still have only one family of non-English learners and no foster children attend CPS.</b></p> <p>Progress monitoring on all four goals were published in November and February and shared at certificated and classified staff meetings, as well as with the Site Council and School Board. So far, we are on track to meet all goals established in the plan except to date we have missed our mark of not higher than a 5% chronic absenteeism rate (which in February stands at 9.7%), and the SARB process has been started with each of these families.</p>	<p><b>Annual Update: The data collected via community, staff, student and board input, has prompted us to develop a plan that will include the following for the 2015-16 school year: immediate phone calls home to any family that crosses over the 5% chronic absentee rate, increased a.m. recess and lunchtime yard duty, more opportunities for the community to better understand the new state standards, and doing a feasibility study to see if we can implement foreign language classes in grades 4-8 during the school day.</b></p>

**Section 2: Goals, Actions, Expenditures, and Progress Indicators**

**Instructions:**

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses

the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

**Goal:** Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

**Related State and/or Local Priorities:** Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

**Identified Need:** Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

**Schools:** Identify the school sites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

**Applicable Pupil Subgroups:** Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

**Expected Annual Measurable Outcomes:** For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the school site level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

**Action/Services:** For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

**Scope of Service:** Describe the scope of each action/service by identifying the school sites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is district-wide, school-wide, countywide, or charter-wide.

**Pupils to be served within identified scope of service:** For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupil subgroup(s) as defined in Education Code section 52052.

**Budgeted Expenditures:** For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

**Guiding Questions:**

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to parent and pupil “Engagement” (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA’s goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?

<b>GOAL:</b>	1. All students will improve their ELA and Math proficiency scores through strategic academic delivery and interventions, and access to Common core Standards through instructional practices.	Related State and/or Local Priorities: 1 <u>x</u> 2x__ 3__ 4 <u>x</u> 5_ 6__ 7__ 8__ COE only: 9__ 10__
--------------	--	---

Local : Specify \_\_\_\_\_

**Identified Need :** Need: Increase all student achievement in the areas of Math and ELA  
Metric: Formative and summative assessments: CAASPP, API, CELDT, Student portfolios, EL Classification, teacher credentials, standards aligned materials

**Goal Applies to:** Schools: All  
Applicable Pupil Subgroups: All

**LCAP Year 1: 2015-2016**

**Expected Annual Measurable Outcomes:**

- 5% of students in grades 3-8 will raise their scores on local and/or state assessments.
- Maintain EL Classification Rates
- Maintain 100% of students reaching English proficiency on the CELDT assessment.
- All students will have access to 100% highly qualified teachers
- All students will have access to CCSS aligned materials including ELD Standards
- Teachers will continue to be trained in preparing their students to be ready for the CAASPP
- Maintain API (or its replacement) as applicable with the State
- A-G requirements, AP Placement, and EAP Assessment not applicable to our elementary school district

**GOAL:**

3. Students in grades 1-8 will have opportunities to enroll in enrichment classes such as, but not limited to:

- Foreign Languages
- Visual/Performing Arts
- Computer Programming
- Environmental Studies

Related State and/or Local Priorities:

1\_\_ 2\_ 3\_\_ 4\_\_ 5\_\_ 6\_\_ 7\_x 8\_x

COE only: 9\_\_ 10\_\_

Local : Specify \_\_\_\_\_

**Identified Need :**

Need: Increased student opportunities in extra-curricular areas before and after school to spark an interest in expanding their knowledge beyond core subject areas

Metric: Attendance logs kept to track attendance

**Goal Applies to:**

Schools: All

Applicable Pupil Subgroups: All

**LCAP Year 1: 2015-2016**

**Expected Annual Measurable Outcomes:**

An average of 12 students will enroll in all classes offered

**Actions/Services**

**Scope of Service**

**Pupils to be served within identified scope of service**

**Budgeted Expenditures**

We will provide before and after school enrichment opportunities for students as well as build in enrichment classes into the school day. Classes will be taught by teachers or specialists (under teacher supervision). Classes will be determined by LCAP needs survey each year and the availability of instructors.

## Annual Update

**Annual Update Instructions:** For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

**Guiding Questions:**

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

<p>Original GOAL from prior year LCAP:</p>	<p>1. <b>STUDENT ACHIEVEMENT</b> - All students will improve their ELA and Math proficiency scores through strategic academic delivery and interventions, and access to Common Core Standards through instructional practices.</p>	<p>Related State and/or Local Priorities:            1__x_ 2__x_ 3__ 4__x_ 5__x_ 6__ 7__x_ 8__x_             COE only: 9__ 10__             Local : Specify _____</p>
<p>Goal Applies to: Schools: All            Applicable Pupil Subgroups: All</p>		
<p>Expected Annual Measurable Outcomes:</p>	<p>20% will improve on local and/or state assessments (from initial established baseline)</p> <p>Maintain or improve API (from initial established baseline)</p> <p>Maintain EL Classification Rates</p> <p>Maintain 100% of students reaching English proficiency on the CELDT assessment.</p> <p>All students will have access to 100% highly qualified teachers</p> <p>All students will have access to CCSS aligned materials</p>	<p>Actual Annual Measurable Outcomes:</p> <p>During the prior year LCAP, state assessment scores were not issued. The District did, however, purchase Edmentum, a thorough assessment program in math and LA for grades 5-8. As a result of using it throughout the year, we have an established local assessment baseline to use in the 2015-16 LCAP reporting.</p> <p>In 2014-15, the district did maintain 100% English proficiency for the two students who took the CELDT test. Due to a staffing change towards the end of the first trimester, we were forced to hire a teacher who was assigned to work outside of his credential thus giving the District a highly qualified rate of 90%.</p> <p>All students had full access to CCSS aligned materials in pilot programs in math (McGraw Hill – My Math/California Math) and LA (McGraw Hill – Wonders TK-5 Standards Plus 6-8)</p>

More yard duty supervision at a.m. recesses, modified parent and student surveys will be created for issue in the next school year, more administrative help will be hired to manage school wide discipline and maintain a positive school environment.		

**Section 3: Use of Supplemental and Concentration Grant funds and Proportionality**

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a district wide, school wide, countywide, or charter wide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a district wide or school wide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district’s goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$18,030
Chicago Park School District has no significant sub groups, so it is in the best interest of all students to use supplemental funds district wide. For Goal 1 (Increase in Student Achievement) we will continue to use funding to provide afterschool intervention for Math and Language Arts during our extended day RTI program (grades 1-3) and our Homework Club (grades 4-8) with the Priority for assistance will be our unduplicated students, with remaining spots open for any student in need of help. We will hire a vice-principal to help with curriculum support, and also hire a PE assistant which will free up teachers once a week to further their familiarity with the new state standards and research curriculum. A library assistant will be hired part-time to enhance literacy and foster a love for reading, and an updated version of Type to Learn will be purchased to enhance keyboarding skills. For Goal 2, (Technology) we will use the funding to provide increases in hardware and software to help technology literacy for the students and staff that teaches them. We plan on purchasing one class set of Chromebooks to be shared among	

the 6-8 grades, and provide scholarships for those who wish to participate in after school tech oriented enrichment classes. This will benefit all students at school with upgrades to technology. For Goal 3 (Increased enrichment classes), funds will be used to bring experts in to teach enrichment classes to not only the unduplicated students, but the entire student body. Scholarships will be made available for all enrichment classes, and a no cost Homework Club will be available after school four days a week. For Goal 4, (Positive Behavior) very little, if any funds will need to be spent to support our unduplicated students. All students, including low income, English Language Learners, and Foster youth have access to school programs and services that are aligned with California’s academic content and performance standards. Please note – All budgeted items noted above in this document reflect estimated costs for items district wide, which difference will be covered by supplemental revenues generated by Chicago Park Elementary School.

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

5.35	%
------	---

By reconfiguring teacher schedules, we are increasing staff from two teachers to three teachers in our extended day RTI services to students in grades 1-3 four days a week. A high percentage of students who attend our RTI program are from low income households. It is our belief that a bolstered RTI program will bridge the gap we see in achievement for children from low income families and allow us to meet our MMP.

NOTE: Authority cited: Sections 42238.07 and 52064, Education Code. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.5, 47606.5, 48926, 52052, 52060-52077, and 64001, Education Code; 20 U.S.C. Section 6312.

### **LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX**

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

(1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) “Suspension rate” shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) “Expulsion rate” shall be calculated as follows:

(1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).
