Memorandum

TO: President Larry Meek and Nevada County Board of Education Members

FROM: Regina Reno, Director of Human Resources *RRR*

BOARD MEETING DATE: July 11, 2018

DATE PREPARED: July 2, 2018

AGENDA: Action Item

TITLE: Provisional Internship Permit

RECOMMENDED MOTION: Authorize NCSOS to submit an application for a Provisional Internship Permit for Tiffany Malakian for the 2018/2019 school year so that the NCSOS Special Education Services can fill an immediate staffing need. A diligent search has been made for a fully credentialed teacher and one cannot be found.

BACKGROUND:

Each year, we try to maintain and hire highly skilled, fully qualified educators. Sometimes we are faced with vacancies resulting in a shortage of fully qualified educators to fill these positions. For this reason, the Commission on Teacher Credentialing (CTC) requires that we as a District, have a Declaration of Need for Fully Qualified Educators filed each year we anticipate employing teachers; including substitutes, who are not fully credentialed for their assignment but are eligible to obtain an authorization through an emergency type permit, allowing them to teach while completing the requirements of a fully qualified educator. The Declaration of Need for Fully Qualified Educators for 2018/19 was board approved on June 27, 2018.

We have been searching for a fully-credentialed teacher for our Special Education Preschool classroom since April 2018. This is a hard-to-fill, high incident area in special education. Early Childhood Special Education is specialized and few educators hold this additional authorization. In fact, last school year, we filled all of our special education preschool classrooms with emergency permit holders, waivers and limited assignment permits as we have not had a competitive candidate pool to choose from.

Ms. Malakian has been working as a substitute teacher in Nevada County since September 2017. Since April 2018, she has been working as a substitute teacher as extra support in our special education preschool classroom. This assignment has allowed her to job shadow, receive mentorship and supervision from one of our highly qualified Special Education Preschool Teachers. Furthermore, Ms. Malakian has been accepted into Sacramento State's Early Childhood Special Education program which begins Fall 2018. In order to continue to provide services, we ask that you approve the submission of the application for a Provisional Internship Permit for Ms. Malakian so that she may obtain the necessary authorization from CTC.

The Provisional Internship Permit must be authorized at a public meeting by the Nevada County Board of Education in order to submit our application to the CTC. The Provisional Internship Permit is issued for one year and will be dated August 10, 2018, pending board approval.

IMPACT:

The Provisional Internship Permit will allow this position to be staffed for the 2018/2019 of the school year. There is no fiscal impact.

Dear Tim,

Congratulations! The County Teacher of the Year Committee, consisting of retired educators Laura Wagner, Susan Clarabut and Debby Sandoval, has selected ***you*** as the ***2019 Nevada County Teacher of the Year!***

Several outstanding candidates were considered in this year's selection process. The committee found this process extremely rewarding because each of the district candidates for the Teachers of the Year Program could have been selected for the countywide designation. You have been recognized as a teacher who makes consistent and outstanding contributions to each child you serve. Your skill, dedication, compassion, and positive influence with students, as well as your peers, is commendable.

Again, I want to extend my congratulations to you for being recognized by your district and the selection committee. You are invited to be our guest at the ***Teacher of the Year Awards*** dinner on Thursday, **October 4th, 2018** jointly hosted by Nevada County Superintendent of Schools and the Association of California School Administrators. A formal invitation will be sent in the fall. At this event the official announcement of the ***County Teacher of the Year*** will be made; you will receive your award and be asked to deliver a short acceptance speech and presentation. In addition you will receive public acknowledgement through our local media.

The ***California Department of Education 2019 Teacher of the Year application*** is included in this packet. In order to participate in the State competition, the completed application is ***due to NCSOS by Monday, July 23, 2018***. All program information can be accessed at www.cde.ca.gov/ta/sr/ct/. Please contact Samie White at swhite@nevco.org regarding the State process. Again, congratulations to you for this wonderful honor!
