The Ananda School was founded in 1972 to provide a quality academic and spiritual education for preschool through 12th grade students in the local area. The school emphasizes universal spiritual values without requiring any particular religious affiliation. Within a context of traditional academic studies, each student is encouraged to grow in such areas as compassion, truthfulness, perseverance and the ability to find inner peace. The Ananda Living Wisdom Junior High/High School program is based on the three themes of service, adventure, and self-discovery.

Mount St. Mary Academy is the only Catholic school in Nevada County and the oldest continually operating Catholic school west of the Mississippi. It offers a quality academic program, steeped in Christian values. On average, 90% of the graduates are on the honor roll at their high schools. The product of a Mount Saint Mary's education is not only an academically prepared student, but also a citizen rooted in the values of community, faith and service. Students are encouraged to give of themselves to help others. Believing that parents are the primary educators of their children, the school enhances and supports parents in the most important work of educating their child.
