**Nevada City Rancheria Nisenan Tribe Acknowledgements**

- We acknowledge these are the ancestral homelands of the Nevada City Nisenan Tribe
- We acknowledge this land was taken repeatedly with no compensation or regard for the lives and ways of the original people, until they had no land left.
- We acknowledge we are settlers here, that we live, love and work on land the Nisenan never ceded.

Creative Movement Classes Get Kids Moving

We are thrilled to announce we are now offering Creative Movement Classes for Kids with Aubrey Puetz! Aubrey has been a movement coordinator and choreographer for 20+ years. Her background is in modern, jazz, ballet and theatrical techniques. She has worked in Nevada County with The Movement Alliance Dance Theater Company & Synthetic Unlimited. She taught at Colfax High School, Nevada City School for the Arts and Bitney College Prep High School. She dances regularly with a group of fellow movers in Nevada City who share her passion for choreography and expression.

Creative movement/dance class will consist of a warm up, across the floor moment and choreography. Students will be encouraged to share their own choreography through individual expression. Dancers will stretch and strengthen the body, increase knowledge of technical skills with movement patterns and enhance musicality. Please call 292.3174 to register - no drop-ins!
