NOTICE OF PUBLIC HEARING

Regarding the Material Revision to the charter of
Twin Ridges Home Study Charter

Purpose: The Nevada County Board of Education will hold a public hearing regarding the Material Revision to the charter of Twin Ridges Home Study (TRHS) Charter school. Specifically, pursuant to California Education Code Section 47607(b), TRHS seeks to increase its enrollment projection from 195 students to 215 students beginning in the 2022-23 school year, with further growth of approximately 20 students per year until it reaches an enrollment of approximately 300 students in the 2026-27 school year.

This Material Revision is requested to meet the growing demand for the Charter School's home study program designed to serve children who need or desire an alternative learning model to traditional site-based education.

The public may appear before the Board at the public hearing and speak to the Material Revision or any other item listed on the Board's agenda.
