*Discussion*

1. Family Nights
  - a. The drum making workshop had to be rescheduled from 11/4 to 1/27 due to scheduling conflict with Nisenan Heritage Day at Sierra College. Melissa attended and contacted Shelley Covert with the Nevada City Rancheria in hopes we don't have scheduling conflicts with them in future. Melissa bet a couple prospects for Family Night as well.
  - b. Spring Family Night TBD.
2. Annual Performance Report - Melissa Balderston
  - a. See attached for your review.
  - b. Graduation Rates:
    - i. NCSOS and Penn Valley 100%

- ii. NJUHSD: 83%
  - c. Under the objective of increasing academic achievement through culturally responsive academic support, 53 students received support via tutoring for the 2022/23 school year by one of our Education Liaisons. Many of the students received those supports weekly for the duration of the school year. An additional 84 students were case managed by an Education Liaison to receive advocacy, refer to services, and/or monitor academic performance.
  - d. Utilizing Star Renaissance this year so to track academic growth differently than just state standardized tests reflective of all Native students. This will allow us to track the academic growth per student via a pre and posttest for duration of 23/24 school year.
3. CA Indian Ed Conference finally coming back this year in Sacramento on March 17-19. Jamie and Melissa will both attend for a total cost of \$1416.43. Costs split between Indian Ed and FYSCP if needed.
  4. Grass Valley School District Rep position still needs to be filled.
  5. Read and update By-laws.
    - a. The updated By-Laws will be signed by all in February but will be voted in today.
